

# How to scan QR code to register with mobile OTP App

Users may need to contact HR to obtain their own Employee ID.

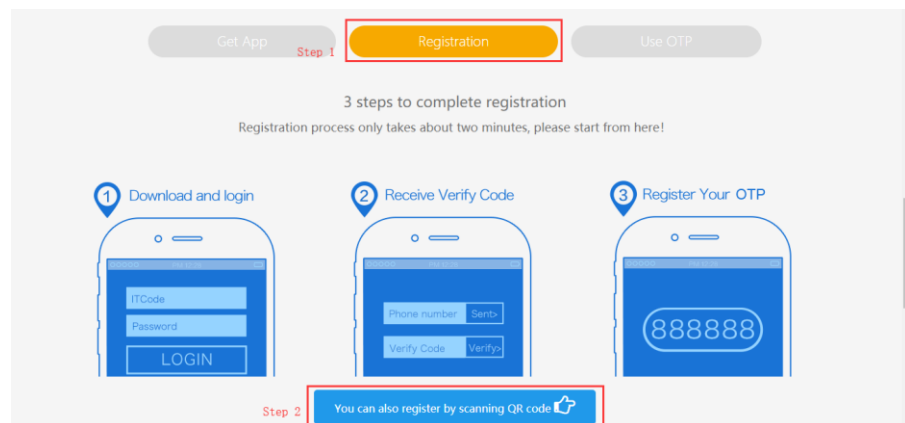

## Step 1

Firstly, access and login the Lenovo OTP official website <http://otp.lenovo.com>, click on 'Also can register by scanning QR code'.

<Click Get ready on OTP portal>

<Turn to the second page, click on 'Registration' button, click on 'Also can register by scanning QR code', to register>

<p>Step 2 Site with ITcode, Password, Employee ID, and Verify Code, then click on 'Login' button.</p>	
<p>Step 3 Use Lenovo OTP scan QR code on site</p>	<p>&lt;QR code on the site&gt;</p>  <p>&lt; Open the slide menu on the phone, choose 'Registration by scan' option.&gt;</p>
